

## **Renewable World**

Chakupat, Lalitpur, Nepal

### **Invitation for Registration in Standing List for the supply and Installation of Solar Energy System**

Published Date: (10/12/2021)

1. Renewable World is an INGO working in the area of renewable energy sector in Nepal. It is working with government agencies and other relevant stakeholders to promote and facilitate renewable energy in Nepal
2. Renewable World now invites the application from the eligible and interested vendors to register their firm, company or institutions in the relevant category of the procurement works:
  - a. Institutional Solar Power System
  - b. Solar Water Pumping Systems
  - c. Solar Powered Technology for Micro-enterprise/Productive use applications
3. Interested and eligible service providers may obtain further information and collect application form for standing list free of cost at the office of Renewable World, Chakupat Lalitpur during office hours on or before 10/Jan/2022, 5PM or can be obtained by requesting via [jobs@renewable-world.org](mailto:jobs@renewable-world.org). Application form with complete information along with requested documents must be submitted on or before 11/Jan/2022, 5PM. The documents can be submitted via email ([jobs@renewable-world.org](mailto:jobs@renewable-world.org)) or at the office of Renewable World, Chakupat, Lalitpur
4. In case the last date of obtaining and submission of application form and documents happens to be a holiday, the next working day will be deemed as the due date, but the time will be the same as stipulated in the first publication date.
5. Vendors will be listed in the standing list as per their experience in the concerned field of expertise, considering the financial as well as the human resources capacity and other related experience in the field of expertise. The documents submitted for the list will be examined on the basis of qualification of listing. Listing of the vendor does not guarantee for procurement by this organisation.
6. Vendors should submit all the documents and credentials as per the application form duly certified by authorized person "***Certified as true copy***" with the stamp of the organisation. The vendor must submit the list of relevant projects completed in the prescribed format provided in the application form with the relevant agreement or the certificates of completion. Mere submission of the projects list shall not qualify the vendor for the selection in the standing list.
7. The standing list will be used by this organization for procuring the listed services as and when required.
8. The organization wholly reserves the right to select or not to select the vendor for particular procurement of work.
9. The vendors listed in the standing list will be informed about it and their category for which they are listed.
10. For further information, the vendor can contact at Renewable World  
Phone: 01-5261138  
Mobile: 9851247334
