I would like Renewable World to reclaim the tax on all donations I have made over the last four years and all future donations, until I notify you otherwise.

* To qualify for Gift Aid, you must pay as much UK income and/or capital gains tax as Renewable World (and any other organisation you may support) will reclaim in each tax year (6 April to 5 April), currently 25p for every £1 you donate. If you pay less it is your responsibility to pay back any difference. Gift Aid will be used to fund Renewable World's general work.

Please notify Renewable World if: you want to cancel this declaration, if you change your name or home address, or if you no longer pay sufficient tax on your income and/or capital gains.
